

The Tech

VOL. XXV. No. 5.

BOSTON, MASS., FRIDAY, OCTOBER 6, 1905

PRICE THREE CENTS.

FIRST CALL FOR TRACK.

Many Old Men Back.—New Material Shows up Favorably.—Field in Good Shape.

Between fifty and sixty men responded to the call for track athletes at Technology Field at Brookline yesterday. And this number included few besides distance runners and high jumpers, no sprinters being out.

Of last year's team, the greater part is still here this year, one exception noteworthy being that of Lorenz in the distance runs. Lightner, '06, will run again.

The new men were present in good number, and in the judgment of Coach Mahan, appeared to be promising material.

Much more definite opinions can of course be formed after the try-out in the fall meet. At present, however, it can be said that there is room for men in the half-mile, the shot-put, the broad jump and the weights.

HOCKEY.

An important meeting of the Hockey Association was held Thursday at 1 P.M. in Room 11 Rogers. Wilkins, '06, was elected president for the coming year. Prospects, athletic and financial, were given full discussion. It was decided to have the same rink as last year if possible. The rink is to be made broader and longer, and a caretaker is to be hired, so that there will be no difficulty about having a good sheet of ice all the time. Collectors were appointed to get money by subscription from the undergraduate body, and as soon as sufficient money comes in work will be started on the rink. The schedule is now being arranged and the team should have at least two good games a week. Besides the varsity team a second and a freshmen team are to be organized and each will have a good schedule of games.

INTERCOLLEGIATE FOOTBALL.

This fall, Yale, who had so strong a team of seasoned veterans last year, comes on the field with practically a green team. Captain Shevlin is decidedly the star performer. At Pennsylvania the great difficulty of the team has been with the Faculty. Much doubt is felt as to the ability of Captain Reynolds to meet with the requirements. Princeton seems to have good prospects. Very few men graduated last year, and the material of the class of 1908, which was very promising last year, has become formed. Harvard finds itself hampered by a lack of speedy men. Her coaches find plenty of weight, but complain that the men are inclined to be fat, and not "rangey." However, this is a fault that the season's training should rectify, and the general outlook may be called good.

ELECTRICALS HOLD MEETING.

First of Course Society Addresses Given by Mr. Lacount.—Officers Elected.

The American Institute of Electrical Engineers, or rather, the Boston branch of it, listened Wednesday evening to a paper by Mr. H. O. Lacount on "The Standardization of Enclosed Fuses," took part in the discussion following, and afterwards held its annual election of officers.

Mr. Lacount's paper, which had been previously given in New York, evidently interested his audience.

According to Mr. Lacount, the great objection to the common open-link fuses, except the Edison plug fuse, is their liability to ignite combustible material. The enclosed fuse was designed to overcome this and other objections. But when standardization of it was first contemplated there were five different companies at least making different fuses. After a good deal of negotiation, all manufacturers combined to have experiments and reports made and have an enclosed fuse of uniform pattern adopted. These experiments Mr. Lacount described, and also the fuse finally adopted. Officers elected for the ensuing year were: Chairman, C. A. Adams; Secretary, H. D. Jackson; Executive Committee, C. L. Edgar, James I. Ayer, C. B. Burleigh, Dr. A. E. Kennelly, R. Fleming.

C. E. SOCIETY SMOKER.

The first Smoker of the Civil Engineering Society will be held at the Union on Wednesday, Oct. 11, at 7.30 P.M. Professors Swain, Allen and Porter will talk. Course I and XI men are invited, especially sophomores and juniors. Free.

EXETER CLUB MEETING.

A meeting of the Exeter Club was held in Room 26 Rogers, at 1 P.M. Thursday. H. B. Hastings '07, was elected secretary in place of Smucker '08, who has left school. It was voted that a dinner be held at the Union, Friday, Oct. 13. A committee consisting of Frank, Leavell and Beam were appointed to take charge of the dinner arrangements.

Several members of the freshmen class applied for admission to the club and will be initiated at the next meeting.

MANDOLIN CLUB PRELIMINARY.

The following new men have been chosen provisionally as a result of the trials for the Mandolin Club: Mandolins, M. Ames, N. B. Gregory, W. C. Spencer, W. M. Schofield, D. W. C. Ruff, J. Mohn, H. J. Stiebel and P. R. Whitney. Guitars, H. Y. Frost, E. M. C. Smith and M. R. Schanf. They are to report for first practice on Monday, October 9, at 4 P.M., in 21 Rogers.

SOPHS ROUSING ENTHUSIASM.

Lively Meeting Wednesday.—Dinner Saturday.—New Class Officers Chosen This Week.

President McGuigan called the class of '08 together last Wednesday to receive a general upbraiding by all its officers. The class, according to every official in any way connected with it, is thoroughly disorganized and incompetent, besides lacking both spirit and energy.

So far the number of men out trying for football has scarcely been the eleven necessary to form a team, and the Tug-of-War Team has only drawn fifteen men out for practice. More men and more interest must be in evidence at these practices, said the speakers. After considerable haranguing from all quarters, the meeting constituted itself a standing protest against the men who refuse to fulfill their class duties. Adjournment was made amid ringing cheers and great enthusiasm.

SOPHOMORE NOMINATIONS.

The election of officers of the Class of 1908 is being held this week. Announcement of the result will be made at the Sophomore Dinner, Saturday night, and should add interest to that always enthusiastic occasion.

The nominations are as herewith given. All voting must be on the printed ballots, names not voted for to be crossed out.

For President: W. R. Heilman, G. J. McTigue, M. E. Allen, A. Ellis, W. E. Weinz.

For Vice-President: N. B. Gregory, A. Heath, A. H. Thompson.

For Secretary: E. L. Brown, H. Webb.

For Treasurer: W. A. Adams, R. W. Millard, L. R. Soule.

For Executive Committee: (two) J. B. Sandow, F. J. Friedman, B. L. Gimson.

For Institute Committee: (two) L. Coffin, S. Thompson, G. Glover, H. R. Putnam, H. A. Rapelye.

ANNUAL SOPHOMORE DINNER.

On Saturday night at 6.30, the class of 1908 will hold its dinner at the Union. A programme of stirring speeches has been arranged. It is expected that this dinner will compare favorably in point of enthusiastic good feeling with any heretofore held.

1907 ELECTION COMMITTEE

The Election Committee for 1907 has been named as follows: J. H. Leavell, O. H. Starkweather, J. M. McMillan, L. D. Davenport, G. D. Luther, F. C. Elder.

The *Boston Herald* recently commented upon college newspapers as being "about the best schools of journalism that the colleges afford at present, though several more ambitious schemes for the education of journalists are either already launched or are under way."

CALENDAR.

FRIDAY, OCTOBER 6.

1.00 P.M. Freshman Class Meeting in Huntington Hall.

SATURDAY, OCTOBER 7.

1.00 P.M. Glee Club trials at the Tech Union.

2.19 P.M. Hare and Hound Chase at Hyde Park. Leave Back Bay Station.

2.30 P.M. Football Game. 1908 vs. Waltham High at Waltham.

6.30 P.M. Sophomore Dinner at the Tech Union.

MONDAY, OCTOBER 9.

1.00 P.M. 1906 Class Meeting in Huntington Hall.

4.00 P.M. Mandolin Club Rehearsal in 21 Rogers.

5.00 P.M. 1909 Tug-of-War Practice for the Gym.

WEDNESDAY, OCTOBER 11.

7.30 P.M. C. E. Society Smoker at Tech Union.

FACULTY NOTICES.

THIRD YEAR.—International Law, Mondays at 10, in Rogers 33.

THIRD YEAR.—Comparative National Government, Saturdays at 12, in Rogers 31.

THIRD YEAR.—The Class in Eighteenth Century Literature will meet Fridays at 4 o'clock and Mondays at 10, in 11 Rogers.

NOTICES.

The Sophomore Dinner will be held at 6.30 on Saturday evening, Oct. 7, and not at 6, o'clock as previously announced.

1909 MEETING.—There will be a Freshman class meeting Friday, Oct. 6, at 1 o'clock in Huntington Hall.

1906 MEETING.—A class meeting of 1906 will be held in Huntington Hall Monday, Oct. 9, at 1 o'clock.

1907 TUG-OF-WAR.—Remember, all out for the Freshman Tug-of-War at the Gym Monday, Oct. 9, at 5 P.M.

Will ALL men who are selling tickets to the Sophomore Dinner please leave a note for me at the Cage before twelve o'clock today telling how many tickets they have sold and from whom they obtained the tickets. This is ABSOLUTELY NECESSARY, for the committee must know by 1 o'clock how many men have bought tickets.

G. S. WITMER,
Chairman.

FRESHMEN FOOTBALL.

The turnout of 1909 football players was better on Wednesday than at first. Twenty-two husky boys reported for work at the Technology Oval.

The Tech

Published every Monday, Wednesday and Friday during the college year (from September to June), by students of the Massachusetts Institute of Technology.

Entered as second-class matter October 6, 1904, at the post office at Boston, Mass., under the Act of Congress of March 3, 1879.

Friday, October 6, 1905.

WILLIAM A. NICHOLS, PRINTER, 408 SUMMER ST., REAR

Mr. A. H. Donnewald, 1907, has been granted a leave of absence from THE TECH Board.

From present indications there would seem to be some ground for believing that Field Day this year will be a series of impromptu exhibitions of disorganized scrub games. The Freshmen have taken hold comparatively well but quick work must be done and more men must turn out if they are to have organized teams. The Sophomores have done practically nothing. Nine or ten men at practice for football, and fifteen for tug-of-war, will hardly conduce toward an interesting contest. For the sake of those who have a right to see interclass games of collegiate proportions, if not out of a self-respecting pride, it is decidedly up to both classes to begin earnest work.

Not many fifty-cent expenditures are as wise as that of the purchase of a Co-operative Society ticket. Representative tradesmen in every line of retail business are affiliated with the society and give discounts to ticket holders.

And not only does the purchaser of a ticket make a shrewd bargain for himself, but he is helping to increase the scholarship fund annually distributed. A great many men of whom Tech has reason to feel proud have been helped to complete their course by assistance extended to them by the Co-op.

The Society is gradually reaching out into various fields of usefulness, following the example of that at Harvard, where the Co-op has become one of the centres of university life.

THE TECH is always willing to receive communications upon topics of timely interest. Its own editorials endeavor to be impartial and give the views of all men due consideration, but its columns are open for any discussion, the responsibility for the opinions expressed of course being disclaimed. No communication with open honest purport will fail admission into THE TECH.

It is urged by the manager of the 1909 relay team that all freshmen who intend trying for their class team sooner or later start in now. Although class practice and class coaching cannot begin until the Fall Handicap Meet is over, the coaching given indiscriminately to the men of all the classes who enter the meet will benefit the freshmen track men as much as any, probably more, and the manager will be able to get a line on his men. Other things being equal, those who come out and begin training first will be most likely to make the team; and naturally the confidence of the manager, and the class will be given to those who are faithful from the start.

The highest St. Louis Exposition award for exhibits in the department of engineering education went to the Massachusetts Institute of Technology, as has already been mentioned in these columns. Second rank was awarded to the Worcester Polytechnic Institute and the medal was just recently received there, according to newspaper reports.

TECH HOUSE.

The arrangements for work this winter at Tech House are approaching completion. Considerable effort has been necessary to arrange for the large classes that it is expected to accommodate this year, but by dint of much hard work everything is practically finished.

Men who are interested in such work or who feel capable of taking classes in elementary subjects are requested to see the management.

The Civic Club desires to announce that it will hold its first meeting for the year on Tuesday, October 10, at 8 P.M., at the Tech Union. All members of the Club are urgently asked to attend, as matters of considerable importance relating to the Club's plans will be discussed. There will also be an informal discussion upon the question: "Is the Trust System Harmful to the Industrial Development of this Country."

Members are requested to take part in this discussion and if possible to prepare arguments upon either side. The Club also wishes to repeat its invitation to all Tech men

interested in civic or political matters or in debating to come and join in its activities. Its object will, as heretofore, be to give its members an opportunity both to hear and to express themselves upon many of the important topics of present day political life.
